## Holder Assembly

Step 1: Lay the base flat on a hard surface.

Step 2: Place the side bar vertically on top of the base (outer placement).

Step 3: Place the washer onto the screw, and insert the screw through all 8 bottom holes, securing the screws with nylock nuts.

Step 4: Repeat steps 2 and 3 for the second side bar.

## Mounting Unit

Step 5: Slide the tinnerman clips onto the sidebar over the holes.

Step 6: Place the monitor on top of the tinnerman clips.

Step 7: Place the washer onto the screw and insert the screw into tinnerman clip, securing the monitor in its place.
